

Pull-Type Hitch

D-29

Connect your Bigham Strip Till to your tractor's drawbar with our Pull-Type Hitch.

- Integrated frame/hitch design
- Tight turning radius
- Heavy wall welded tube frame
- High capacity 12.5L x 16SL 14 ply lift tires
- Massive hubs and 2" spindles
- Field and transport stability
- Lift wheels function as center section gauge wheels
- Up to 12 row 30" frames
- Reduced weight on drawbar
