

HR-1

Hipper Roller®

The BIGHAM logo features a stylized green leaf icon to the left of the word "BIGHAM" in a bold, black, sans-serif font.

True one pass tool

Prepares seed bed, shapes furrows, and forms trenches in one pass

Perfect, uniform seedbed aids planting and optimizes irrigation

- Front sweeps pull up perfect bed from flat field or stale beds
- 24" drum gives a firm wide seedbed in a wide range of conditions
- Optional rear clean out sweeps ensure uniform and clear furrow
