

HC-1

Hipper Chopper®

The logo for BIGHAM, featuring a stylized green leaf icon to the left of the word "BIGHAM" in a bold, black, sans-serif font.

True one pass tool

Prepares seed bed, shapes furrows, and forms trenches in one pass

Perfect, uniform seedbed aids planting and optimizes irrigation

- Front sweeps pull up perfect bed from flat field or stale beds
- HD front chopper aggressively sizes residue & unifies bed density
- Optional rear clean out sweeps ensure uniform and clear furrow
- Twin rear baskets perfect the bed surface for planting
