## Single Disc Bedder

**BIGHAM**  
Farmer Friendly

The Bigham Single Disc Bedder pulls easier than conventional options for more versatile use. It also pulls up beds faster due to high flow design and over-the-bed shields to prevent dirt spillage.

This versatile product brings all of this while lowering maintenance costs through reduced number of wear parts and simplified design

This budget conscious addition to Bigham's Disc Bedder family is available in 8 Row, 12 Row and 16 Row. Custom sizes and configurations by request
